

WAITING FOR GOD

St. Joseph Secondary School

June 26, 2012

*On behalf of the Government of Ontario,
I am delighted to congratulate the talented student performers
with St. Joseph Secondary School on performing Waiting for God
at the Mirvish Panasonic Theatre. Well done!*

*Musical theatre is a powerful art form that can educate, entertain,
challenge, inspire — and unite people of all ages and backgrounds
in enjoyment of this compelling artistic medium. As this production
clearly demonstrates, musical theatre can play a vital role
in developing our sense of identity, enriching our lives and
telling the stories that reveal our common humanity.*

*I would like to thank the gifted students and all those
who have devoted time, energy and enthusiasm to making
this production possible. I would also like to offer special congratulations
to Seamus Kelleher on channelling his creative forces into the writing of
this original piece of musical theatre — and for giving students
the opportunity to shine.*

*Please accept my sincere best wishes for another inspiring
and memorable performance!*
